

INTRODUCING SYSTEM-300K

**How to Survive and Thrive
In an Evil World**

Presented by – Dave Neilson, Founder

Reality Today

**TODAY WE SHOULD BE LIVING IN “THE
GOLDEN AGE”**

**THAT MAN HAS DREAMED OF
AND STRIVEN FOR
OVER THE PAST CENTURIES**

BUT WE ARE NOT AND WHY NOT?

All men were created equal By the Infinite GOD of ABUNDANCE

- God made man in His own Image and gave us dominion over all His Creation and gave us every thing we need to Survive and Thrive
- Yet today we are faced with grave shortages when there should be plenty
- As the great Mahatma Gandhi said, *“There is plenty for man’s need but not for man’s greed.”*
- This is man’s doing and it is because of greed and materialism and secrecy.

Why is a good question?

- Technology has developed that would enable us to Thrive as was intended
- But much of that Technology has been hidden from us very deliberately
- By greedy and evil men for corrupt reasons
- And instead has been developed for *their* insanely greedy purposes at our cost

Facts we need to know

- We need to be **AWARE** that this World is being ruled by a Minority of wicked people who have an Evil and Corrupt agenda
- That we live in perilous times and very much need to take control of our own lives and future & be responsible **human beings** as we are supposed to be
- That so-called systems like Democracy and Republican does not work and never has – is only a deception to appease us.

Facts we need to know

- Only about 3% of wealth in the world today is physical money of real value
- The other 97% is “paper” money created by banks through corruption and no value
- This “*money*” is Debt that has to be paid or defaulted on and is bringing about the downfall of Individuals and of Governments
- The only Real Value lies in Silver & Gold
- And we need to learn how to accumulate both
- But we can’t afford to, so how do we do that?
- That is what “**System-300K**” is all about

Facts we need to know

- Make no mistake about it the Illuminati is real
- Through their International Banking Cartel they have most Nations heavily indebted to them
- Through the World Bank and the International Monetary Fund whom they own and control
- They will finally issue New Currency – *Theirs*
- It will be backed by Gold *stolen* by corruption
- By our latest calculations we will be very luck if we get **\$21 New Currency** for every \$1,000 old
- Imagine the chaos that will cause
- **WE NEED TO BE AWARE THIS IS A REAL FACT**

In 1961 J F K gave a speech to the American public that warned of Covert and Secret Societies and the risk of perverting the course of Freedom and Liberty. Plus of a Revolution coming.

**"A revolution is coming: a revolution which will be peaceful if we are wise enough, compassionate if we care enough, successful if we are fortunate enough - but a revolution which is coming whether we will it or not. We can affect it's character, we cannot alter it's inevitability."
-John F. Kennedy**

New World Order

Tell me this doesn't stink...!!

"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family traditions, national patriotism, and religious dogmas."

Brock Adams, Director UN Health Organization

What is the Purpose of “System-300K”?

- Primarily to Help ALL People any where
- It is open to any Nationality
- No barriers of Race or Status in life
- Is designed to Help Everyone
- To Free us from forced Slavery
- And recover Self Determination
- So that we all can have Pride & Dignity
- And above all - FREEDOM to not only Survive, but to Thrive...

How does “System-300K” Actually work

- The are four parts to this “System-300K” that addresses the priorities of life.
- IMMEDIATE MONEY concerns & affording to reclaim control of our life
- Building RESIDUAL INCOME
- Taking care of HEALTH & THRIVING
- HELPING Others by GIVING BACK

IMMEDIATE MONEY concerns

- What part of your life is not affected by money?
- Money is not the Root of all evil – the LOVE of money is. Big difference
- Money is only a convenient means of exchange for something of value
- Is a necessity of daily living – though we have been encouraged to believe otherwise

So the first step is to free up time

- We need **TIME FREEDOM** to be able to devote that time to what is important in life
- Family Time – Health – Learning – Pleasure and Fun – Living in Freedom
- Instead of being held in Slavery to the corrupt “*System*” that ensures we do not have the time for what’s important to us
- Decide what is important to **YOU** and focus on it
- Create a **PLAN** for your life and take **ACTION**

- Think you can live on that?
- Would that be worth going for?

Share with others

- There are three important things to success
- The WILL and being prepared to take ACTION
- Sharing and DUPLICATING
- Being prepared to GIVE BACK

STAGE THREE INVESTING IN VALUE

Having now wiped out ALL debt

And now become Independent of the “*System*” and in
Control of your own life

Next step is to take control of you **HEALTH**

Followed by Investing in **GOLD** and **SILVER**

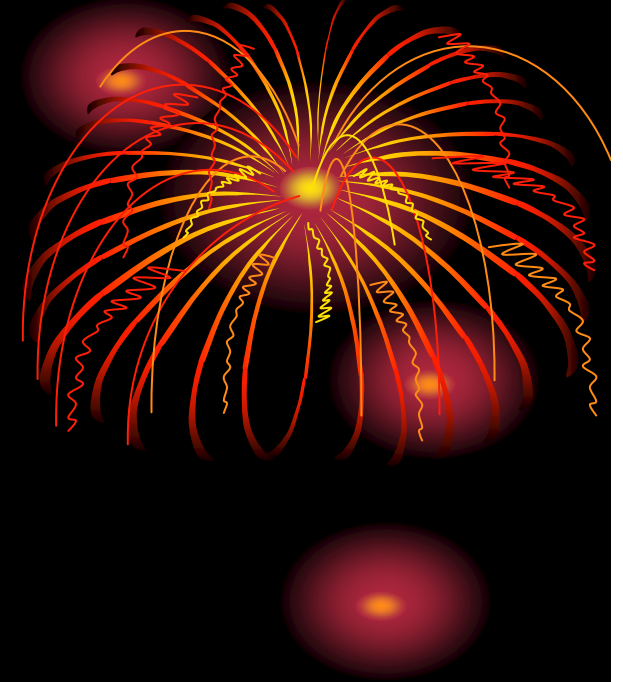

FUTURE OF “PAPER MONEY” REASON FOR GOLD AND SILVER

- Sooner or later the Illuminati will control the currency of the World and issue a New Currency – *THEIR OWN*. And it will be backed with Gold they have wickedly taken from the People
- When that happens all “*Paper Money*” will be worthless
- My latest calculations indicate that you will get about \$21 only for every \$1,000 – if lucky, and could be NOTHING.
- Imagine the Chaos that will exist then
- Now see the point in Gold and Silver as they have always represented VALUE.
- See how being free from the “*System*” will pay off
- AND EVEN IF I AM WRONG IN MY ASSESSMENT, you will still be far better off and have nothing to lose
- “*PAPER MONEY*” has always been DEBT MONEY

COMPARE GOLD & SILVER AS SOLID VALUE

- Prices of both as of today [18.12.2011]
- GOLD \$1,638.69
- SILVER \$29.72
- In 1970 Gold was \$35
- And Silver was \$3
- By that comparison Silver should be \$149
- Silver is used Industrially and Gold is not
- Silver is expected to rise to between \$150 and \$200 so is possibly the best investment for the two reasons mentioned
- Either way the NEW currency will be backed by precious metals and Silver has always been saleable for Gold.

Going in as a Group To share the cost And get started

- This is a very good idea for those who find the initial cost of \$49 just too much
- Work to get One position going with say 10
- Then PE one of the Group obviously in your team
- Once that position has 10 then the next one, and so on
- As we said, this is about **HELPING EVERYONE**

LET'S SUPPOSE YOU ONLY ACHIEVE 50% RESULTS

- Whilst each Personally Enrolling 12 is the target
- Let's say everyone only achieves half that – 6
- The Residual Income from Stage 2 would be \$22,000 per month
- Even that, I am sure you would agree is not a bad result for the effort

- Note how the results are exponentially larger if the Target is achieved
- **But remember YOU control this, so just keep promoting until you have your 12**

You like what you have seen But don't think you can do What is required

- Please don't despair as we can cater for that
- We will build your Website & Autoresponder
- And allow you to pay the \$49 over THREE months at just \$17 per month – Payment Option “B”
- Would you then be serious about promoting it?
- Here is the deal – We will build them both
- The cost is \$17 per month for THREE months for the work and time is 48 hours
- You pay \$51 in total through the Payment Option “B”
- We will send you back a confirming email
- Once completed you will get an email to say so
